## President's Message

**Dear ISACA Members and Guests,**

### **Annual luncheon and appoint new Board Members**

On Friday, May 21, 2010, we will hold our annual luncheon. We will recap the Middle Tennessee ISACA Chapter and education from the past year. The location is Maggiano's Little Italy on West End Avenue in Nashville. This event is limited to MEMBERS ONLY. In order to get through our year-end recap, 2010–2011 officer elections, and lunch within the time allotted, it is critical everyone arrive on time (11:00am). The RSVP page will open in April.

### **Volunteers**

I would like to take this opportunity to invite members to become volunteers for the various activities of the chapter. One key activity is the continuous effort to provide greater education and training ideas. Please contact Duane Harper or myself if you are interested in volunteering.

### **Members Events**

On April 29-30, 2010 your chapter will offer a seminar on Security and Audit of Microsoft Active Directory. The chapter has subsidized this event greatly and we hope you see this as an added value to your membership. Attendees receive 15 hrs of CPE for only \$250 (roughly \$17 per CPE hour for chapter members) plus lunch is included at no additional cost. This seminar is normally a four day event at a cost of \$2,895 per person (\$96 per CPE hour). The subsidized seminar has generated tremendous interest and we intend to hold more events following the same model.

Please do not hesitate to contact me directly if you have any questions. Every member of our chapter is an asset and we are proud to serve you and resolve any issues you may have.

I look forward to seeing each of you at future chapter meetings and seminars. If you have any comments or suggestions on how the board can continue to meet your needs, please do not hesitate to contact me or any other board member directly.

Regards,

**James P Hlavati, CISA**

Chapter President, 2009-10

## Follow @ISACANashville on Twitter

By Matthew Vance (WebMaster)

Are you an avid Twitter user? If so, you should consider joining the many other users who are already following [@ISACANashville](#) and staying up-to-date on relevant industry news and chapter events. If you are unsure about what all the hoopla is about, Twitter is a social networking service that allows users to *tweet* a 140 character message to their followers. For instance, the following is a recent tweet posted by the Chapter Vice President, Matthew Edman:

*6 of 7 AV Programs Tested Didn't Detect Aurora Attacks (only McAfee Internet Security 2010 w/ SecurityCenter did) <http://bit.ly/aqWjE2> ^MRE*

## New ISACA Certification – CRISC

The Certified in Risk and Information Systems Control (CRISC) designation is for IT professionals who identify and manage risks through the development, implementation and maintenance of information systems (IS) controls. These professionals help enterprises accomplish business objectives such as effective and efficient operations, reliable financial reporting, and compliance with regulatory requirements.

A grandfathering program, through which experienced professionals can earn the certification without passing an exam, will open in April. The first CRISC exam will be administered in 2011. To learn more, visit [www.isaca.org/crisc](http://www.isaca.org/crisc).

## Upcoming Chapter Events

### Security and Audit of Microsoft Active Directory

**Date:** April 29-30, 2010

**Time:** 8:30-4:30 (Thursday and Friday)

**Instructor:** Ken Cutler, CISSP, CISM, CISA

Vice President – Information Security, MIS Training Institute

President and Principal Consultant – Ken Cutler & Associates (KCA)

**Seminar Focus and Features:**

In this practical, intensive packed two-day seminar, you will learn a structured approach to securing and auditing Active Directory from end-to-end and from top to bottom. We will identify all key Active Directory and domain controller control points, as well as, common security risks, safeguards, and audit procedures.

*For more information on this training opportunity, please visit [www.isacanashville.org](http://www.isacanashville.org)*

**Cost:** Members: \$250.00; Non-Members: \$490.00

**CPE:** 15 hours

**Meals:** Lunch will be provided each day.

**Registration:** To register, please visit [www.isacanashville.org](http://www.isacanashville.org)

**Location:**

**Hospital Corporation of American**

One Park Plaza, Bldg. II - Cumberland Room

Nashville, TN 37203

### Middle Tennessee ISACA Chapter 2009–2010 Annual Meeting

**Date:** Friday - May 21, 2010

**Time:** 11:00 – 1:30

**Location:** Maggiano's Little Italy (valet parking available).

This event is limited to MEMBERS ONLY. In order to get through our year end recap, 2010–2011 officer elections, and lunch within the time allotted, it is critical everyone arrive on time. The RSVP page will be opened at a later date on [www.isacanashville.org](http://www.isacanashville.org)

## Distance Learning Update

### April e-Symposium

The April ISACA® e-Symposium is scheduled for Tuesday, April 27th. To register for the August e-Symposium and take the first step toward earning three free continuing professional education (CPE) credits, please visit <http://isaca.brighttalk.com>. All e-symposia are recorded and archived for viewing on demand. Archived events are available for a period of 12 months. For more information, please visit [www.isaca.org/elearning](http://www.isaca.org/elearning).

### ISACA e-Learning Campus

The CISA® Online Review Course is available on the ISACA® e-Learning Campus. This interactive, web-based course was developed to provide Certified Information Systems Auditor™ (CISA®) exam candidates and ISACA members with an efficient and cost-effective tool for exam preparation and performing information systems audits and reviews. For more information, please visit [www.isaca.org/elearning](http://www.isaca.org/elearning).

### Online COBIT Exam Now Available in Multiple Languages

ISACA is currently enhancing and restructuring its online training program in order to meet the training needs of its global membership. The online COBIT® Foundation Exam will be available by mid-March 2010 in English, Spanish, Portuguese, French and Japanese on the ISACA e-Learning Campus, [www.isaca.org/elearning](http://www.isaca.org/elearning).
